The screenshot shows the 'Payment settings' tab selected in the client portal. At the top, there is a dark header with the 'KINGS' logo (crown icon, 'KINGS', 'EST. 1857') on the left and a circular arrow icon on the right. Below the header, a navigation bar contains four orange tabs: 'me and family', 'Payment settings' (which is underlined), 'Edit profile', and 'Agreements'. The main content area has a light gray background. It starts with the heading 'DEFAULT PAYMENT METHODS FOR CONTRACT' in bold. Below this is a white box containing the text 'Employee contract' and 'Cash'. Further down is the heading 'SAVED PAYMENT METHODS' in bold. Below this is a green message with a lock icon: 'Your payment details are stored securely.' Underneath is another white box containing the text 'Cash'. At the bottom of the page is a large orange button with the text 'Add new payment method' and a circular arrow icon on the right.
